

Welcome to the 2015-2016 School Year at Centreville Preschool

Tuition and supply fees were due July 1

If you have not sent in your first month's tuition and the supply fee associated with your class please do so ASAP. Your payment secures your spot and allows our teachers to start preparing for your little one.

Questions regarding tuition? Contact Janet Chen at janetchencpi@gmail.com

Health and Safety Forms were due July 15

Please complete and send these in promptly so there is no delay in your preschooler starting school!

Questions regarding these forms? Contact Kristi Lalli at kristilalli@gmail.com or [703-818-0575](tel:703-818-0575)

Save the Date

CPI will host our annual Open House and membership Picnic on Saturday, September 12 from 10am-2pm. Be sure to mark your calendar!

Students will see their classroom, meet their teacher and make friends on the playground. Lunch and snacks will be served. Your teacher will contact you with your class's specific meeting time.

Refer a Friend

CPI loves referrals! Did you know that you could receive a free month of tuition if you refer a student to CPI?

Applications are available on our website! Spots are available at all age levels.

Creative Kids and Explorers - These 2 classes are great add-ons for your preschooler!

Creative Kids is offered Tuesday and Thursday afternoons 12:15-3:00pm and is open to all age groups. Creative Kids concentrates on Sensory Activities, Free Art, Dramatic Play and Moving to Music. Sensory activities help children explore their five senses. Children will be able to play with a variety of play-dough, beans, rice, birdseed, water, gak, goo and more!

Explorers - This class strives to harness children's natural sense of curiosity about the world around them through play, scientific inquiry and exploration. Embedded within our STEM program, mathematical sorting, sequencing, and patterning are featured to encourage the beginnings of phonetic awareness, sound blending and emergent reading. Games, books, pretend and sensory play accompany our science experiments and data collection to create an exciting and fun filled Explorers adventure.

If your child attend class in the morning, **Lunch Bunch** is offered so that they can enjoy lunch with their friends!
