2017/2018 PARENT PARTICIPATION REQUIREMENTS

Centreville Preschool, Inc. (CPI) is a non-profit, parent cooperative preschool. Active participation and involvement of our parent-members is an integral part of the success of our school. While most schools welcome parental involvement of some sort, CPI offers parents a unique opportunity to work closely with our teachers and observe our students at work in the classroom during the coop experience. Our parent-members help to shape the future of CPI and work to ensure that their children receive the best possible preschool education.

As a cooperative preschool, the majority of the classes offered are cooperative classes requiring a high level of parental participation. However, CPI recognizes that there are many parents who wish to be involved in their child's preschool education, but are unable to meet the participation requirements of CPI's coop classes. With this in mind, for the 2017/2018 school year, CPI is offering classes with three different levels of required participation.

All Classes

Parents will provide an approved snack for their child's class on a rotating basis and provide party supplies for one class party per year.

Cooperative Classes

Parents with children enrolled in these classes are required to work in their child's classroom as a Parent Aide on a regular basis. Parents in the 2-day Threes program can expect to work approximately once every six (6) weeks; 3-day programs for Threes and Fours classes, approximately once every four (4) weeks. **In addition to this requirement, parents are required to serve on a school committee and to complete one maintenance project during the school year.**

School Cooperative Classes

Parents with children enrolled in these classes are NOT required to work in their child's classroom as a Parent Aide. **In addition to this requirement, parents are required to serve on a school committee and to complete one maintenance project during the school year.**

Semi-Cooperative Class

Parents with children enrolled in the 4-day Pre-K class are required to work in their child's classroom as a Parent Aide on a regular basis approximately once every month (on Tuesday, Wednesday, or Thursday). **In addition to this requirement, parents are required to serve on a school committee and to complete one maintenance project during the school year.**

Non-Cooperative Classes

Parents with children enrolled in these classes are asked to provide a snack on a rotating basis for the class. They are NOT required to work in their child's classroom, to complete a maintenance project, or to serve on a school committee.

BUY-OUT OPTION: CPI offers a "Buy Out" option. The "Buy-Out" allows parents to register a child in a cooperative class at a non-cooperative cost without the corresponding parent responsibilities (except providing snack on a rotating basis). If you are registering for a cooperative class and wish to exercise the Buy-Out option, mark the appropriate box on the class offerings page.

- The Buy-Out option for any 2-day class (AM or PM), is an additional \$75 per month (\$675/annually).
- The Buy-Out option for any 3-day class or the 4-day Pre-K class (AM or PM), is an additional \$110 per month (\$990/annually).

2017/2018 REGISTRATION, ADMISSIONS, WAITING LIST, WITHDRAWAL, POLICIES AND PROCEDURES

At CPI, we believe that a balanced (boy/girl ratio) classroom is an integral component of the preschool education experience. With this in mind, applications are accepted on a modified first come, first served basis. Assuming full enrollment, the class rosters are filled on a first come, first serve basis; but we also balance the classes using a predetermined ratio agreed to by the teaching staff. Once the classes are filled, two waiting lists will be established (one for girls, one for boys). As class vacancies occur, the position will be offered to the child (boy or girl) with the highest priority, as long as the minimum classroom ratio is maintained. Applications received after classes are filled will be placed on our waiting list.

If you are applying during the Registration Period **January 2017**, you will receive a letter within two to three weeks notifying you of a position in the school or your status on CPI's Waiting List.

If you are on the Waiting List and wish to remove your child from any class or classes on the Waiting List, you may do so at any time. A written notification to Enrollment Co-Director is required to receive a full refund of the Registration Fee.

WAITING LIST. Once on the Waiting List, your child will be offered the first available opening for your child's age group, regardless of the days or times (AM or PM) that class meets. Refusal of an offered place for any reason (including day and time offered) will result in a forfeiture of the entire Registration Fee and removal from the Waiting List. If a cooperative class was your first choice, you will not be removed from the Waiting List if you refuse to accept a non-cooperative class.

The Waiting List will be dissolved on April 1, 2018. Each applicant on the Waiting List will receive a full refund of their Registration Fee after this date.

SWITCH LIST. A Switch List will be created if parents wish to change the class in which their child has been placed and the preferred class is full. The Switch List will be dissolved as of October 1, 2017. Requested switches after that date will require the approval of the teacher(s). Contact the Enrollment Director to be added to the Switch List.

NON-COOPERATIVE VS. COOPERATIVE CLASS CONVERSION. If you are registering your child for a non-cooperative class, please note that if the class does not fill by July 1st, the Board of Directors may elect to convert the class to a standard cooperative class. Registrants will be notified and be given the option of registering for the cooperative class. Registrants who are unable to enroll in our cooperative program will receive full refunds of all fees paid.

In the event of a withdrawal, thirty (30) days' notice must be given to receive a full refund of the first payment.

The registration fee is not refundable and not transferable once a child has been admitted and placed in the school.

BUY-OUT OPTION: CPI offers a "Buy Out" option. The "Buy-Out" allows parents to register a child in a cooperative class at a non-cooperative cost without the corresponding parent responsibilities (except providing snack on a rotating basis). If you are registering for a cooperative class and wish to exercise the Buy-Out option, mark the appropriate box on the class offerings page.

- The Buy-Out option for any 2-day class (AM or PM), is an additional \$75 per month (\$675/annually).
- The Buy-Out option for any 3-day class or the 4-day Pre-K class (AM or PM), is an additional \$110 per month (\$990/annually).

If you have questions about any of the above policies, please contact **Saemi Kitchens Co-Director of Enrollment**, at cpitours@outlook.com or **Janet Chen, Accounting Clerk**, at cpituition@outlook.com.

2017/2018 MEMBERSHIP AGREEMENT

As a cooperative preschool, CPI offers you a unique opportunity to participate personally in providing your child's first educational experience. As a condition of enrolling your child, you commit to becoming an active member of the preschool. In order to provide your child with the quality educational experience for which CPI is known, you are required to agree as follows:

I agree that, in the event I am unable to work on my scheduled day, it is MY responsibility to find a satisfactory replacement. I understand that when compiling the schedule, the Scheduling Director will make every effort to honor reasonable requests, but that it is not possible to honor all requests.

Penalties and Fees (All Parents)

I agree that failure to fulfill any of the obligations detailed above (as described further in the CPI Parent Handbook, to be distributed in early September) will result in the assessment of fines.

I agree to pay these fines as required by the Board of Directors. The schedule of fees and penalties is located in the CPI Parent Handbook.

Waiver of Liability (All Parents)

I agree, in consideration of the enrollment of my child in CPI, to waive, for myself and my child, any and all claims against the Directors, Staff, Teachers, Parent Aides and the landlord of the school premises for personal injury or other loss or damages that may arise out of the operation of the preschool. Nothing in this waiver shall be construed to bar any claim for intentional misconduct or gross negligence.
