Updated: August 21, 2023

Dear Parents:

Welcome to Centreville Preschool, Inc.! For more than 50 years, CPI has been nurturing young children as they learn about themselves, their friends, and their world. The goal at CPI is to provide a safe and caring environment for your child with an emphasis on educational and social-emotional growth. Our experienced and dedicated teachers implement curricula that encourage the development of young minds and promote an atmosphere for continuous exploration and curiosity.

We are very pleased to welcome children to our new home, on the campus of Centreville Presbyterian Church. The classrooms are bright and fresh, and our teachers have enjoyed settling into our new routines and creating new traditions. We hope you love the new space as much as we do!

As a cooperative, CPI relies on the support of all our member families. We hope you're excited to be a part of your child's early education, and we're happy to have you all in our community! For many of our students, CPI feels like their second home, and your involvement, no matter how big or how small, is what truly sets us apart from other schools and creates that family-feel. All our member families fulfill some co-op obligations for the school, but if you're interested in doing more, or if you have any special skills you'd like to share, please let us know. CPI belongs to all of us, and together we make it the best it can be!

This Parent Handbook will introduce you to the history, philosophy, and methodology of CPI. It also outlines CPI's school calendar, fundraising activities, the board of directors, school staff, co-op obligations, detailed information on school policies, drop off and pick-up procedures, and health and safety concerns – just to name a few. Please take some time to read through the Parent Handbook, and if you have any questions or concerns, please do not hesitate to contact me.

I look forward to working with all of you in the coming year!

Sincerely,

Sarah Norman

President, Board of Directors

Centreville Preschool, Inc.

WHAT'S HAPPENING IN FUNDRAISING THIS YEAR

Fundraising is vitally important to the school. It provides funds for “extra” toys and equipment for the children, covers the cost of capital improvements, and helps to meet unexpected expenses and emergencies. The Co-Directors of Fundraising present fundraising events planned for the school year in a letter at the beginning of this Handbook and at the General Membership Meeting. Your support and participation are greatly appreciated and greatly helps our school. In addition to fundraising projects, CPI also participates in programs that offer benefits and convenience to the parents, as well as a profit for the school. These programs include:

- **Scholastic Book Clubs:** Parents will be provided the opportunity to order low-cost books for children. CPI will receive credit that can be redeemed for educational books for the school.
- **T-shirt and Tote Bag Sales:** CPI T-shirts, tote bags, and other merchandise are available for purchase throughout the year. CPI makes a modest profit on these items.

As a small cooperative preschool, CPI depends on fundraising to provide enrichment to the curriculum and to keep our facilities and equipment in good shape. We are going to continue this year to offer fewer fundraisers requiring you to “sell” and more that offer you services! We hope to keep the FUN in Fundraising!

We are planning to have family fun nights at local restaurants approximately once per month. Please keep an eye out for the flyers with the time and date information for these events.

Our HOLIDAY SHOP is always a huge success! Students are able to “shop” at school for parents, siblings, grandparents, aunts, uncles, cousins, babysitters – or whomever you want them to buy for! This is so much fun for the kids! We know parents are always thrilled to see the joy in their children’s faces when they come home with presents to share that they picked out!

After a few years off due to Covid-19 and our relocation, we’re planning to bring back our Holiday Babysitting and Party! Be sure to watch for more information and the registration page – space is limited, and you don’t want to miss out!

Each year the school usually hosts one big event. We will be hosting our annual Family Fun Day on May 18th - keep an eye out for details!

In the spring, you will have the opportunity to order Original Artwork. Your child will create a special work of art while at school, and this image can be printed on to magnets, mugs, T-shirts, trivets and other items. These make treasured gifts for grandparents, uncles, aunts, and babysitters.

We’re excited to try some new ideas in our new location, so be sure to watch for all of the Fundraising fun coming your way! Have a great idea for fundraising? Email cpifundraising@outlook.com and tell us about it!

ABOUT OUR STAFF

Professional teachers are responsible for the daily program of classes and for supervision of participating parents. Our teachers are fully qualified to teach at CPI. All teachers hold one of the following:

1. A degree in Elementary Education or related field;
2. Equivalent experience in early childhood education; or
3. Two years of experience at CPI.

CPI teachers guide and help our children grow and develop at their own pace and ability level.

Your interest in your children and CPI is the common ground you share with your teachers. Teachers schedule parent conferences and are available throughout the school year for discussion of specific problems or concerns relating to their students.

STAFF BIOGRAPHIES

COURTNEY ALVIN, Teacher – Beginners: Courtney has worked in early childhood education since 2002 and has worked with children from infant to age 5. Courtney has taught preschool, mommy and me classes, and dance classes to young children over the years. Courtney is passionate about play-based curriculum. Helping children be as creative as possible and learning using their interest to spark growth is what Courtney enjoys most about teaching. Courtney has two children of her own and in her free time enjoys relaxing with them, reading and dancing with them, going to the beach, and going on motorcycles rides with her husband.

MELISSA HALL, Director and Teacher – PreK: Melissa is a graduate of James Madison University with a degree in early childhood education. Go Dukes!! She taught kindergarten in Prince William County for 10 years. After teaching kindergarten, Melissa became a stay-at-home mom for a few years. When her youngest son joined CPI in 2018, she decided to join CPI as a staff member as well as a parent. Melissa is incredibly passionate about using a play-based curriculum and loves helping young learners thrive at CPI. She lives in Centreville with her husband, two boys, and pup, Milo. You can usually find her on the baseball field or basketball court cheering on her boys. Melissa and her family love to be active and spend majority of their time in the great outdoors!

JULIA HOGLUND, Teacher – Threes: Julia is a Fairfax County native and graduated with a Bachelor of Science from the College of William and Mary and a Master's in Public Health from Drexel University. Before becoming a stay-at-home mom, she spent nine years working as a government contractor and researcher in the fields of community health and nutrition. Julia's three daughters attended CPI between 2013 and 2022, and during that time she spent several years serving on the CPI Board as Health & Safety Director and Parent Education Director. As a co-oping parent, she saw firsthand how much her daughters enjoyed their time at CPI and knew she wanted to rejoin the CPI family when her daughters went on to elementary school. Julia volunteers as the Cookie Manager for her daughters' Girl Scout Troops and Room Parent for their classrooms. She enjoys reading, baking, board games, playing soccer with her family, and walking their dog, Daisy.

ELISA HOLDEN, Teacher – Extended Day and PreK Aide: Elisa grew up in Fairfax County and graduated with a Bachelors in Psychology. After graduating, she spent 9 years in the social work field working with low income families assisting them in becoming self sufficient and accessing necessary child and adult services in Fairfax County. Elisa has two children both who graduated from CPI. She has served on CPI Board since the 2016-2017 school year as the Health & Safety Director and Scheduling Director. In addition to being a stay-at-home mom, she works as a Child Care Coordinator on weekends and evenings at her local church, working with children ages 0-6 years old. Elisa enjoys working with children of all ages and loves their enthusiasm and energy.

JEN KILBURNE, Health and Safety Manager: Jennifer and her husband, Adam, grew up in Fairfax County and reside in Centreville. They have been graced with 5 children and three grandchildren. Active with CPI for over 20 years, Jennifer served on the Board of Directors as Maintenance Director, Parent Education Director, and the Health and Safety Director. Prior to becoming a CPI teacher, she worked in hospital administration, as a private daycare provider, and still continues to work part time as a Tournament Manager for Northern Virginia Wrestling Federation. She continues to volunteer for FCPS and is a long-time member of the Virginia PTA. She also served as an FPYC cheerleading coach, with Girl Scouts, and as the Award Coordinator for SYA Wrestling. Jennifer was honored as the SYA Wrestling Volunteer of the Year in 2012 and 2014. In her spare time, she enjoys, home-remodeling, baking, and of course, exploring all the sciences.

LAURIE LEWIS, Teacher – Fours: Laurie began teaching at Centreville Preschool in 2011. She is currently in the 4's classroom and is enjoying every minute! Laurie grew up locally in Northern Virginia. She attended Virginia Tech and majored in Family/Child Development. Laurie lives in Centreville with her husband, Ambrose, a Software Engineer and Adjunct Professor, and daughter, Nora, an American University student. She's an active volunteer in the community, supports several dog rescues and produces the Summer Stage show for Westfield High School Theatre.

SUSAN STEINBERG, Teacher – Threes: Susan is a Fairfax County native. She graduated from Mary Washington College in 2004 with a degree in History, and stayed on to receive her Masters in Elementary Education in 2005 with a concentration in the Arts. Before starting her teaching career in Fairfax County, Susan interned in a speech-language and occupational therapy practice, working with children in their auditory processing program. She spent 8 happy years teaching second and third grades at Colin Powell Elementary before her son was born in 2013. In addition to being a stay-at-home mom, she served as the Public Relations Director on the CPI Board of Directors from 2016-2018. Susan and her husband reside in Clifton with their son and daughter, and she enjoys arts and crafts, going to the library, and playing games with her family. She loves working with young children and inspiring them to be creative, thoughtful, helpful, and kind!

JANET CHEN, Office Manager, Accounting Manager, and Teacher Aide: Janet relocated to Northern Virginia after her husband, Roger, separated from the US Army. She is the mother of two children, both of whom are graduates of Centreville Preschool, Inc. A graduate of Fayetteville State University, Janet has over 15 years of experience in the accounting field, but enjoys being a stay-at-home mom even more. In her spare time, she teaches swimming lessons, gets in a little swimming herself, and roots for the Boston Red Sox.

ABOUT CENTREVILLE PRESCHOOL, INC.

HISTORY OF CPI

CPI was created in the summer of 1969 to fill the need for a parent participation nursery school in the Centreville area. The forerunner of CPI was a loosely organized cooperative playgroup of two- to four-year-old children. This cooperative was subsequently incorporated as an accredited Virginia non-profit corporation. The name Centreville Preschool, Inc. was adopted at the start of the 1970-71 school year. After a brief period of operation in local homes, the school began holding classes at Ox Hill Baptist Church in Chantilly in September 1971. In 1979, CPI moved to Centreville Methodist Church where it remained until May 1985. CPI then moved to Newgate Blvd. in Centreville, where a great deal of hard work by CPI members transformed a former residence into an excellent cooperative education facility. Those efforts were rewarded when CPI was named Preschool of the Year for 1986/87 and 1990/91 by the Virginia Cooperative Preschool Council (formerly the Northern Virginia Council of Parent Participation Nursery Schools)! The move to 13916 Braddock Road in Centreville was completed in time for the 1991/92 school year. Our new home was again transformed into an excellent learning environment for our children thanks to the hard work and dedication of our parents and teachers. In 2023, Centreville Preschool moved to Centreville Presbyterian Church (15450 Lee Highway) and continued to serve as a co-op preschool for young learners in the Centreville area.

VIRGINIA COOPERATIVE PRESCHOOL COUNCIL

CPI is a member of the Virginia Cooperative Preschool Council. Schools in the Council work together on means we may employ to improve safety and health standards in our facilities, to keep our curricula current with the latest advancements in educational theory, and other joint ventures. Joint publicity activities and community service efforts help to carry the concept of cooperative schools to the public.

EQUAL OPPORTUNITY

“MEMBERS OF THE VIRGINIA COOPERATIVE PRESCHOOL COUNCIL, INC. ADMIT CHILDREN OF ANY RACE, COLOR, NATIONAL AND ETHNIC ORIGIN TO ALL RIGHTS, PRIVILEGES, PROGRAMS AND ACTIVITIES GENERALLY ACCORDED TO OR MADE AVAILABLE TO STUDENTS AT THE SCHOOLS. THEY DO NOT DISCRIMINATE ON THE BASIS OF RACE, COLOR, NATIONAL AND ETHNIC ORIGIN IN ADMINISTRATION OF THEIR EDUCATIONAL POLICIES, ADMISSIONS POLICIES, SCHOLARSHIP AND LOAN PROGRAMS, AND ATHLETIC OR OTHER SCHOOL-ADMINISTERED PROGRAMS.”

PARENT EDUCATION

Parents in the full and semi-cooperative programs assist CPI teachers in the classroom. This is a wonderful opportunity to be involved in your child's education, and it helps to keep CPI's tuition costs low. Parents who are active in a cooperative school benefit from the opportunity to observe the way professional teachers interact with preschool children, and how their child relates to his/her classmates. This enables parents to respond to situations with more insight and maturity. It also helps parents to develop and utilize skills necessary to help children play and work more effectively. In addition, items of interest to parents of young children appear regularly in the monthly school newsletter, The Chalkboard and the Director of Parent Education is available to help identify resources available to members seeking additional information or specific guidance.

ETHICS

Each member of the cooperative, as well as each teacher, aide, school manager and account receivables manager is expected to maintain a high standard of ethical and professional conduct in all activities pertaining to CPI. Such high standards are critical to the fulfillment of one's cooping obligations and are necessary to maintain confidentiality and respect for each child and each family's right to privacy.

PARENT PARTICIPATION

Active participation and involvement of our parent-members is an integral part of the success of our school as a cooperative. The participation of all parents is encouraged; participation of parents of students in the Three, Four and PreK Cooperative Programs is essential.

While most schools welcome parental involvement of some sort, CPI offers parents a unique opportunity to work closely with our teachers and observe our students at work in the classroom during the coop experience. Our parent-members help to shape the future of CPI and work to ensure that their children receive the best possible preschool education. Our teachers are always eager to work with parents who have special talents or interests that they would like to share with the students, and often are able to arrange class schedules and units to accommodate special presentations by parents. Participation in class coffees, committees, fundraisers, or serving on the Board of Directors also helps to foster enduring friendships that provide support and understanding for everyone involved.

Parent Aides at CPI manage organizational and support tasks in the classroom, allowing the teachers to maximize their time with the students. Parent Aides are responsible for assisting with the supervision of activities and helping the children with daily routines.

Many parents find the prospect of their first day as Parent Aide daunting, and approach it with a sense of apprehension and confusion. Please don't worry! The teachers at CPI are accustomed to working with new Parent Aides each year. You will learn quickly and soon grow to love the job. At the beginning of the school year, each teacher distributes a list of specific responsibilities for the Parent Aide in his/her classroom. Additionally, the Parent Aide responsibilities will be posted in each classroom.

Duties of the Parent Aide will include the following:

Arrival and Drop-Off

Please arrive ON TIME! Parent Aides are required to arrive at the school no later than the start time of their class. Parent Aides arriving after carpool drop-off begins may be assessed according to the Tuition and Fee Schedule.

Parent Aides greet children who are being dropped off and safely escort them into the school. The safe and successful execution of the drop-off process relies on all parent aides being present at the drop-off time for each particular class.

When you arrive, park your car in the line of spaces on the far side of the lot and meet your teacher at your class's drop-off location outside the building. Greet the children warmly; try to learn as many names as you can. Be sure to be friendly and positive. Ensure that the gathered children stay safely grouped on the sidewalk and out of the parking lot.

When you arrive in the classroom, please place any purse or bag on a high hook or in a locked cabinet, and place the snack in an out-of-the-way place.

Circle Time & Totes

When all children have been dropped off and checked in, the Parent Aide returns to the classroom with the students and teacher. Assist children as needed with putting away their things and preparing for the day. Engage and play with them during Free Play time. Assist the teacher in cleaning the room for Circle Time. During Circle Time, your child will lead the class in the pledge, assist with the calendar, and present a show and tell. Please feel free to observe and participate in these activities.

During Circle Time, teachers will explain to the children what the different activities for the day will be, including what they will be doing with you. Parent Aides work on an individual basis with children during Center Time. Be sure you know what you'll be expected to do.

Sometime before, during, and/or immediately following Circle Time, Parent Aides should examine the children's totes for any notes that might be pinned to the exterior. These should be removed and given to the teacher. Then find the basket marked for your class and distribute any material in it into the totes. These may be flyers, artwork, notices from teachers, and other items. If a child is absent, please write his or her name on the item and place it back into the folder. Try to be sure items are placed securely in the totes, so parents receive the information they need.

Center Time

After Circle, children disperse into different activity centers. Some centers children engage with a minimum of adult guidance, others involve activities that are directly overseen by teachers or the Parent Aides. Parent Aides typically assist with an art project or might play games that are designed to develop language skills, math skills, or thematic concepts.

When working with the children in your class, be sure to always be positive and supportive. In addition:

- Try to get on the child's level, both mentally and physically. Short simple sentences are best; avoid complicated explanations.
- Memorize the children's names and make sure they know your name.
- Talk as little as possible. Let the children's ideas flow freely - this encourages their participation.
- Do not engage in lengthy adult conversations to the exclusion of the children. Teachers and Parent Aides are at the school for the benefit of the children.
- Watch the whole group without appearing intrusive. Children are very aware of being watched and may not react well.
- Offer help where needed but avoid doing too much for the children. Many can accomplish appropriate tasks at their own speed. Help frustrated children find satisfaction in what they have started but wait until the time seems right to offer your help. Encourage the children to do as much as they can for themselves.
- When assisting with art projects, remember it's "process not product." Messy fingers and happy, engaged children are more important than making "pretty" pictures.
- Try to offer specific observations regarding children's artwork, such as "I like that color blue" or "you worked really hard to make that."
- Refrain from talking about children in their presence or in the presence of other children. They are quick to pick up on casual comments and tone of voice.
- Never ask a teacher to discuss a child other than your own.

Clean-Up and Snack Time

When the teacher announces that it is clean-up time, the Parent Aide should help the teacher with clean-up if needed and prepare snack.

Snack preparation begins with sanitizing the tables. A spray bottle with a chemical disinfectant such as Lysol is kept in a locked cabinet in each classroom. Spray the tables with this. Use a paper towel to ensure the full surface is covered and allow the residue to air dry. **BE SURE TO RETURN THE SPRAY BOTTLE TO THE CABINET AND LOCK IT!** Then set out the snack.

Children (and adults) must wash their hands using soap and running water before and after they eat. Children must remain seated while they eat. After snack, please clean and sanitize the table again.

Outdoor Play

Weather and air quality permitting, the children go outdoors to play (usually after snack). When this is impossible, the teacher engages them in indoor activities. During this time, the Parent Aide cleans up the classroom and bathroom areas.

Sanitize the tables and any items that were used heavily or that the teacher requests be sanitized. Spot-vacuum as needed. When you are finished, please remember to return all cleansers to the locked cabinets.

Assist with taking the children's totes to the front of the building for pick-up.

Parent Aides can expect to leave after all the children have been picked up and the classroom is ready for the next session.

Miscellaneous Tasks and Concerns Throughout the Day

Parent Aides work under the sight and sound supervision of the teachers and should not be in isolated areas alone with children other than their own. Teachers are also responsible for cleaning and assisting children at the toilet (they have been trained in the proper use of universal precautions).

Please respect the privacy of other CPI members and keep personal information confidential.

Please read and be thoroughly familiar with CPI's Emergency Information described in this Handbook.

Please be willing to assist the teacher whenever she asks. If anything is unusual or unclear, please ask the teacher. And thank you very much for being a Parent Aide!

DEVELOPMENT OF CHILDREN

CPI encourages balanced growth by placing equal emphasis on each of the four main phases of a child's development: physical, intellectual, social and emotional. This philosophy is the guiding force behind planning the daily schedules and activities. CPI's daily planned activities and play provide enjoyment and learning through exploration and experimentation. Good teaching involves providing guidance and direction and reinforcing positive development of each child at CPI. It is accomplished at CPI through the cooperation of parents and teachers in creating the best possible environment for this critical period of development.

CPI policy dictates that our teaching staff handles behavior problems with a mixture of redirection/distraction, "breaks," and positive reinforcement for good behavior. Children are always spoken to with respect in a calm voice, and the striking of a child is never permitted under any circumstance. The teaching staff will notify the Vice President of any serious behavior problem that they feel is beyond their reasonable ability to control and of cases where other children's safety is in jeopardy. In these cases, the Board will determine when and if the child should be removed from the program.

Physical Development

Children learn most easily through guided play activities. Through the use of crayons, finger paints, building blocks, glue, scissors, and seasonal outdoor activities, our children are exposed to excellent opportunities for the early development of small and large muscles and hand-eye coordination.

Intellectual Development

Listening to stories, poems and records, sharing ideas through discussions, play acting, finger plays, games and short field trips all help in the intellectual development of our children. They develop and strengthen their powers of observation, concentration, imagination, and memory. The children are encouraged to think creatively, distinguish between things that are real and things imaginary, and to express their opinions of objects and ideas. Their memories are sharpened by activities involving the recounting of the new experiences they have at CPI.

Social Development

Our children get their first lessons in community living at CPI by becoming contributing members of the group. They learn to share, take turns, help their companions, receive help from others, interact with other children to achieve common goals without causing friction and follow as well as lead the group. They learn to share experiences through their conversations with others, to listen while others talk and that it can be fun to contribute to group conversations.

Emotional Development

Teachers and participating parents make children feel wanted, loved, and secure in what is for many their first experience away from home for any length of time. The preschool provides our children with a receptive and constructive forum for the expression of their feelings. We work to help them enhance their individuality, confidence, and self-assurance, while exposing them to group rules. They learn self-control, self-reliance, and are provided with opportunities to make choices. Consideration for others is always encouraged.

POLICIES AND REGULATIONS

APPLICATION AND ADMITTANCE

Application for admission for the current school year may be made at any time during the year. Applications for the upcoming school year will not be accepted prior to a date established and announced by the Board of Directors. To apply, a parent or legal guardian of the student must complete the Application Form, acknowledging their acceptance of the CPI Membership Agreement, and pay the registration fee (see Tuition and Fee Schedule). Applications and class assignment choices of current CPI members and alumni will be given priority over applications received during the open registration period.

Class size is established by the Board of Directors and is based on the number of qualified applicants and the limitations of our occupancy permit. Currently, enrollment varies from seven to twelve per class. Class assignments are made on a modified first-come, first-served basis, to ensure a balanced boy/girl ratio in each class.

At the point when classes are filled, applicants are placed on a wait list. Once on the wait list, the applicant will be offered the next available position in the program to which they applied. The applicant will receive written notification of their position on the wait list. If still on the wait list January 1st, the applicant will have priority for enrolling the following year.

Wait lists are maintained for each program. An applicant may not request to be wait-listed for a particular class session.

Switch lists are maintained for each program to accommodate parents who may wish to change the class their child was placed in. The switch list will be dissolved as of October 1 for the current school year. Requested switches after that date will need teacher approval. Contact the Enrollment Director to be added to the switch list. Placement from the switch list is made on a modified first-come, first-served basis, to ensure a balanced boy/girl ratio.

If a non-cooperative class does not fill, the Board of Directors may elect to revert the class to a standard cooperative class. Registrants will be notified and be given the option to stay in the class as a cooperative participating family with tuition adjusted accordingly. Registrants who are unable to enroll in our cooperative program will have the option to withdraw without observing the 30 day withdrawal policy.

BUY OUT OPTION

The Board of Directors offers a “buy out” option to parents wishing to register a child in a cooperative class at a non-cooperative cost with those corresponding parent responsibilities. Two Buy Outs are allowed per cooperative class: additional buy-out requests are considered on a case-by-case basis. Buy Out options may also be offered as a way to fill classes that have not filled.

The person who then chooses the Buy Out option is enrolling in a cooperative class as a non-cooperative parent/student and will then pay the non-cooperative tuition in their program and not be required to be on a committee or attend a cleaning party but will be included on the rotating snack schedule.

TUITION, FEES, AND ASSESSMENTS

All tuition payments, supply fees, and assessments are to be paid to the Account Receivables Manager. Invoices will be available in your Jovial account 10 days prior to the end of the month and can be paid using an online payment system. If you do not want to pay online, checks can be sent via US Mail. Mail payments to CPI, Attn: Accounts Receivable, PO Box 253, Centreville, VA 20122. DO NOT send checks

to the school street address or to the Account Receivables Manager in your child's tote bag. Payments must be made by personal, certified, or cashier's check, made payable to Centreville Preschool, Inc., cash, or credit card via your Jovial family portal. Payments should not be handed to teachers or co-oping parents in the drop-off/pick-up lines.

Tuition

- Centreville Preschool, Inc. has a payment plan that includes nine (9) equal tuition installments. The first tuition installment is due on July 1st and is applied to the following May's tuition. The second tuition installment is due on September 1st with the remaining 7 tuition installments due the first of the month, October through April.
- Members may pay tuition by one of two methods: a one-time payment for the full tuition amount OR nine equal payments.
- The yearly tuition for 2023-2024 is:
 - \$2,673 for the 2-day Beginners School Cooperative Program
 - \$2,115 for the 2-day Threes Cooperative
 - \$2,880 for the AM 3-day Threes with Lunch Bunch Cooperative Program
 - \$2,610 for the AM 3-day Fours Cooperative Program
 - \$3,510 for the 4-day PreK PM Semi-Cooperative Program
 - \$990 for the 1-day Creative Kids Non-Cooperative Program
 - \$900 for the 1-day Extended Day Non-Cooperative Program
- The first tuition installment and supply fee are due July 1st. The tuition portion of the first installment is applied to May's tuition as a deposit. If the first installment and supply fee are not received with the signed tuition agreement by July 1st, your child may lose his or her spot in Centreville Preschool, Inc. to a child on the waiting list.
- All members must make the first installment payment (including May's tuition plus the supply fee(s), plus one (1) tuition installment prior to the start of classes if they have chosen to pay their annual tuition in nine (9) installments.
- A \$25.00 late fee will be assessed for payments received after the scheduled payment date of the 1st day of the month. If mailing tuition payments to the P.O. Box, late fees are determined based on the envelope's Post Mark date.
- After a student has been enrolled into CPI, the registration fee is non-refundable.

- \$235.00 Threes AM Cooperative (2 days/wk)
- \$320.00 Threes with Lunch Bunch AM Cooperative (3 days/wk)
- \$290.00 Fours AM Cooperative (3 days/wk)
- \$390.00 PreK Semi-Cooperative (4 days/wk)
- \$100.00 Extended Day Program (1 day/wk)

Assessment Fees

In instances when the policies and procedures are not followed, certain assessments may be necessary in order to ensure the continued support of CPI's cooperative philosophy and adherence to the Bylaws. The continued operation of CPI is dependent upon the member's fulfillment of the obligations as specified within the Membership Agreement.

- Late Child Pick-up Fee - \$5.00 Fee for parent arriving more than 5 minutes past scheduled pick-up time. Additional \$5.00 Fee for every 5 minutes late or portion thereof.
- Committee Fee - \$100.00 Fee for member's failure to participate in required committee assignment.
- Maintenance Fee - \$100.00 Fee for member's failure to participate in required maintenance obligation.
- Late Arrival of Parent Aide Fee - \$15.00 Fee assessment for late arrival of Parent Aide
- No-Show of Parent Aide Fee - \$35.00 Fee for failure of parent aide to appear on scheduled day without arranging for a substitute. The Staff School Aide Fee OR the Emergency Paid Parent Aide Fee will also apply (see below). The member must also replenish the school snack.
- Staff School Aide Fee - \$50.00 Fee assessed whenever a school staff member is used as a substitute for a Parent Aide.
- Emergency Paid Parent Aide Fee - \$35.00 Fee assessed and PAID DIRECTLY to parent working in place of another member's Parent Aide obligation.
- Late Tuition Payment - \$25.00 Fee assessed each time a tuition installment payment is not received by the 1st of the month.
- Returned Check Charge - \$25.00 Fee assessed for any check returned by the bank. Each additional occurrence increases the assessment by \$10.00. After a check is bounced the Board may ask the member to submit future payments by cashier's check.

Late Payment Policies

Extenuating circumstances for delinquencies may be discussed in confidence with the Account Receivables Manager and a determination will be made whether or not an accommodation may be arranged. Otherwise, the following policies apply:

- Tuition installment payments are due the 1st of each month. Payments not postmarked or submitted electronically by the 1st of the month will be assessed a late fee in accordance with the Tuition, Fees, and Assessments section.

- Members whose payments are thirty (30) days past due will have fifteen (15) days to make full payment of tuition and any outstanding fees. If payment is not received within that time, or if other arrangements for payment are not made with the Account Receivables Manager, then the matter will be brought to the attention of the Board for further action, up to and including termination of membership as specified in the Bylaws.
- Tuition payments that habitually arrive late (more than three (3) consecutive months or more than four (4) months of any six (6) month period) will be brought to the attention of the Board for further action, up to and including termination of membership as specified in the Bylaws.
- Members who do not pay fines or fees assessed over the course of the year within thirty (30) days of being notified will be brought to the attention of the Board for further action, up to and including termination of membership as specified in the Bylaws.
- As an alternative to termination of membership, the Board may require that a member in arrears give the Account Receivables Manager a credit card account number to charge any existing payment or future payments. A minimum 2% processing fee will be charged for all credit card payments. Refusal to provide a credit card account number or equivalent assurance of payment shall be considered cause for termination of membership.
- If a Collection Agency must be used to collect any fees outstanding on delinquent accounts, the CPI member will be responsible for paying all fees related to the Collection Agency Service.
- Members whose accounts (including tuition, fees, and fines) are not paid in full at the end of the fiscal year (June 30th) will have enrollment for their child or any sibling for the following school year suspended until full payment is received. If there is a waiting list for the class, the Board will have the option to terminate membership and fill the spot.
- Members have the right to contest or appeal actions of the Board as described in accordance with the procedures set forth in Article III, section 5 (d).

In the event that you decide to withdraw your child from CPI before the end of the school year, upon thirty (30) days' notice to withdraw, CPI will apply any unpaid prorated tuition, fees, or assessments to the May tuition on account, and will issue a refund for the remaining balance.

Refund Policies

Please Note: All withdrawals must be made in writing addressed to the Director of Enrollment and the Office Manager.

Registration Fee

The registration fee is not refundable and due before an application can be processed.

Tuition

Refundable Under the Following Conditions

- If a member withdraws from active status from any class or classes enrolled in prior to the start of the school year, the member will forfeit the supply fee and all monthly installments due prior to the withdrawal date.
- After the start of the school year, a member may withdraw from any class or classes enrolled at CPI for any reason by means of a written notice to the Co-Director of Enrollment and the Office Manager.

Withdrawal becomes effective thirty (30) calendar days after this written notice has been received. Until that date, the member is responsible for all tuition, fees, and other obligations assigned to an active member, whether or not the child attends class.

- Members who have paid tuition in full at the beginning of the year or those who have made payments in advance of the schedule of payments will be entitled to a refund of the “advance amount”, (the amount that exceeds that which would have been paid on the standard payment schedule at the time of their withdrawal).

CPI recognizes families may have special circumstances, including extended absences. In these instances, the family may petition the Board for an exception to policies, and the Board will vote at the next scheduled Board meeting regarding the circumstance, i.e., tuition reimbursement, class placement, etc.

Termination of Membership

The CPI Board of Directors may terminate an individual’s membership upon ten (10) calendar day’s written notice to a member. The letter of termination will list the reason(s) for termination, which are detailed in the CPI Bylaws, Article 3, Section 5.

If an individual’s membership is terminated, refunds will be made as described below for voluntary withdrawals.

Voluntary Withdrawal

All withdrawals require written notice to the Co-Director of Enrollment and Office Manager.

Before School Year Begins

If an applicant is placed on the waiting list and wishes to withdraw from any class or classes on the waiting list, the applicant will have ten (10) days from the date on the placement notification letter to notify the Co-Director of Enrollment and Office Manager of this request to avoid being invoiced for Tuition & Supply Fees . All withdrawals require written notification to the Co-Director of Enrollment and Office Manager. The written notice may be via email (see Board of Directors contact list) or by a letter mailed to CPI’s P.O. Box.

Once on the waiting list, the applicant will be offered the next available position in the program that was selected. Refusal of an offered position for any reason (including days and session of the class) will result in removal from the waiting list.

The waiting list will be dissolved on April 1 of the current school year. Applicants may still remain on CPI’s waiting list and if offered a position in the school after April 1st, the applicant will be charged Tuition and Fees accordingly.

If a member withdraws an enrolled student prior to the start of the school year from any class or classes, the member will forfeit the supply fee and all tuition installments due prior to the withdrawal date. The Registration Fee is not refundable, nor can a member’s Registration Fee be transferred to another enrollee.

After School Year Begins

A member may withdraw from CPI for any reason by means of a written notice to the Board President, Office Manager, Director, and the Co-Director of Enrollment. The written notice may be via email (see

Board of Directors contact list) or by a letter mailed to CPI's P.O. Box. Withdrawal (termination of membership in accordance with Centreville Preschool, Inc. Bylaws) does not become effective until thirty (30) calendar days after this written notice has been received by CPI. This is considered the "withdrawal effective date." During the 30-day period, the member is still responsible for all tuition, fees and other obligations assigned to an active member, whether or not their child attends class. This policy applies to each individual class that a child is enrolled in. After the school year begins, the supply fee is non-refundable.

If a member withdraws an enrolled student after the start of the school year, the member is responsible to pay a prorated amount for the month in which the "withdrawal effective date" occurs. Any excess payments received will be refunded to the member. This policy applies to each individual class that a child is enrolled in. Therefore, if the (30) calendar day period ends in the middle of the month, tuition will be prorated for that month. Any unpaid fees, assessments or tuition will be applied against the May Tuition pre-payment and any remaining balance will be refunded.

Unfortunately, CPI is unable to hold a place for your child if you withdraw for any reason. Many classes have waiting lists and families tour CPI throughout the year. If you wish to re-enroll at a later date, your child may be placed in a different class or have to be placed on a waiting list.

Late Starts

All enrolling families are required to pay a Registration Fee per family, and a Supply Fee for each class in which the student is enrolled. Please refer to the Tuition Installment and Fee Schedule Section for your applicable Supply Fee(s). A 50% reduction in registration and supply fees will be given to new members enrolled after February 1st.

The first tuition installment (applicable to May's tuition) AND a full tuition installment will be due (based on a total of 9 tuition installments) for the month in which the member's child begins attending CPI.

Payment up front is due for the First Tuition Installment (applicable to May's Tuition), Registration Fee, Supply Fee(s), and one (1) tuition installment that is based on 9 tuition installments.

CLASSROOM PARTICIPATION

Beginners School Cooperative Program

Teachers in the Beginners programs have experienced paid aides to assist them in the classroom. Parents shall provide a snack based on the monthly guidelines, when scheduled. Parents of Beginners students are not required to participate in the classroom but will occasionally be asked to provide treats or favors for class parties. Parents are required to serve on a school committee and attend one cleaning party.

3- and 4-Year-Old Cooperative Programs

Parent Aides are a vital part of CPI's success as a cooperative school. Parents of children enrolled in the 3- and 4-year-old cooperative programs are required to assist their child's teacher on a regular basis as a Parent Aide (see About CPI, Parent Participation for classroom routine and the duties of the Parent Aide). In a full class, parents can expect to work approximately once every four to six weeks. You may be expected to co-op more frequently if the class is not full. In addition, members are expected to work on a committee and attend one cleaning party (see School Participation). Parent aides are also responsible for providing a snack (see Snack). The two sections in the parent handbook, on scheduling and arrival of parent aides, describe policies necessary for the smooth running of our cooperative classes and ensure that the school is in compliance with all County and State requirements. Please read them carefully.

PreK Semi-Cooperative Program

Once a week the PreK teacher is assisted in the classroom by an experienced paid Aide. Parent Aides work beside the PreK teacher three days a week (see About CPI, Parent Participation for classroom routine and the duties of the Parent Aide). In addition, members are expected to work on a committee and attend one cleaning party (see School Participation). Parent Aides are also responsible for providing a snack (see Snack). The following two sections in the Parent Handbook, on scheduling and arrival of parent aides, describe policies necessary for the smooth running of our cooperative classes and ensure that the school is in compliance with all County and State requirements. Please read them carefully.

Extended Day Program

The Extended Day program is offered on Monday and Wednesday afternoons. This class is offered to students in the Threes, Fours, and PreK classes. Our Extended Day class is staffed by one teacher and one teacher's aide. Parents are not required to participate in the classroom. Likewise, they are not required to fulfill any additional maintenance obligation or committee assignments outside of their regular classroom responsibilities.

S.T.E.M. Explorers Program

Not offered 2023-2024. The S.T.E.M. Explorers Program has traditionally been offered Friday afternoons. This class can supplement the classroom curriculum for four-year-old and PreK students. Our S.T.E.M. Explorers class is staffed by one teacher and one teacher's aide. Parents shall provide a snack and drink for each class member when they are scheduled on the monthly calendar. Parents of children in our Explorers class are not required to participate in the classroom. Likewise, they are not required to fulfill any additional maintenance obligation or committee assignments outside of their regular classroom responsibilities.

S.T.E.A.M. Discoverers Program

Not offered 2023-2024. The S.T.E.A.M Discoverers curriculum lends itself toward the Fours and PreK group but can also work for some Threes. The class is staffed by one teacher and one teacher's aide. Parents shall provide a snack and drink for each class member when they are scheduled on the monthly calendar. Parents of children in our S.T.E.A.M Discoverers class are not required to participate in the classroom. Likewise, they are not required to fulfill any additional maintenance obligation or committee assignments outside of their regular classroom responsibilities.

Creative Kids Program

Not offered 2023-24 The Creative Kids curriculum lends itself toward the Threes, Fours and PreK group. The class is staffed by one teacher and one teacher's aide. Parents shall provide a snack and drink for each class member when they are scheduled on the monthly calendar. Parents of children in our Creative Kids class are not required to participate in the classroom. Likewise, they are not required to fulfill any additional maintenance obligation or committee assignments outside of their regular classroom responsibilities.

Little Chefs Program

Not offered 2023-2024. The Little Chefs curriculum lends itself toward the Fours and PreK group but can also work for some Threes. The class is staffed by one teacher and one teacher's aide. Parents shall provide a snack and drink for each class member when they are scheduled on the monthly calendar. Parents of children in our Little Chefs class are not required to participate in the classroom. Likewise, they are not required to fulfill any additional maintenance obligation or committee assignments outside of their regular classroom responsibilities.

Culinary Kids Program

Not offered 2023-2024. The Culinary Kids curriculum lends itself toward the Threes, Fours and PreK group but can also work for some Beginners. The class is staffed by one teacher and one teacher's aide. Parents shall provide a snack and drink for each class member when they are scheduled on the monthly calendar. Parents of children in our Culinary Kids class are not required to participate in the classroom. Likewise, they are not required to fulfill any additional maintenance obligation or committee assignments outside of their regular classroom responsibilities.

Scheduling and Substitution of Parent Aides

It is CPI's policy that there be two adults for each of our preschool classes. Parent Aides serve as the required second adult in CPI's cooperative programs. It is essential that members appear when scheduled as a Parent Aide or arrange for a suitable substitute.

Mothers, fathers, grandparents, and other family members are encouraged to work as their child's Parent Aide. "Parent" Aides are always a huge success in the classroom! Any family member or caregiver who has the required "Parent Medical Form" on file at CPI and completed the annual training may participate as a Parent Aide; it's great fun, and it helps cover the days you are scheduled to work as a Parent Aide. CPI also strongly recommends that parent aides stay up to date on their Covid-19 vaccine and receive the flu shot annually.

The Scheduling Director compiles and distributes the monthly Parent Aide schedule at least two (2) weeks prior to the first of the month. If you have a request for preferred co-op days such as working on your child's birthday, it can be made by emailing the Scheduling Director or your child's teacher (if the Scheduling Director position is vacant). The Scheduling Director will make every effort to satisfy the request, but it may not always happen. If the calendar has already been distributed, then the Scheduling Director cannot make any changes. Parents may not bring other children to school while working as Parent Aides. It is important for parents to be able to devote their complete attention to the duties at hand rather than splitting their time and attention. Also, the presence of additional children violates County occupancy limits.

Substitution Procedures

There will inevitably be times when a member is unable to work on his/her scheduled day. It is the responsibility of the member to arrange for a replacement. A member seeking a replacement should follow these steps:

1. Call/Email all the parents in his/her child's class and try to arrange a trade of scheduled days. This is the most satisfactory solution and provides the least amount of disruption for the class and the schedule.
2. If unable to find a replacement from the class roster, call for a substitute from the Emergency Paid Parent Aide list distributed at the beginning of the year. Be sure to note their ability to work the required class day and session time. The member is required to pay an Emergency Paid Parent Aide assessment to the substituting parent aide, and to provide snack for the day or replace the school's emergency snack supply. The Emergency Paid Parent Aide is not allowed to charge the member more than the fee detailed in the Tuition and Fee Schedule of this handbook, nor is it ever permissible for him/her to request or receive reimbursement for any expense other than snack.
3. If the member has exhausted all resources and is still unable to find a replacement, contact your child's teacher and/or the Director. If a parent substitute is not found, the Staff School Aide assessment will be paid to CPI to cover the cost of having a school aide cover for that day. The parent will also have to replace the emergency snack.

Failure to arrange for a substitute or failure to show up on a scheduled workday may result in a sizable fine as described in the Tuition and Fee Schedule.

Members are limited to utilizing Emergency Paid Parent Aides a total of two (2) times during the school year. Parents requiring an emergency aide a third time should call the office manager and arrange to have

a staff school aide substitute. The member is then required to pay a Staff School Aide fee to CPI to cover the cost of having a school aide cover for that day, and to replenish the emergency snack as described in the Tuition and Fee Schedule. The member will also be switched to a “buy-out” membership.

Parents who find they are having trouble meeting the time demands of the cooperative program are encouraged to consult with their child’s teacher and the director.

We all face occasional scheduling emergencies. Help out by becoming an Emergency Paid Parent Aide for hours when your child is in school (but please don’t bring any additional children with you).

ARRIVAL AND DEPARTURE OF PARENT AIDES

Parent Aides are required to arrive ON TIME, no later than the scheduled start time of the class. Parent Aides arriving after carpool drop-off begins will be assessed according to the Tuition and Fee Schedule. Parent Aides can expect to leave after all the children have been picked up and the classroom is ready for the next session.

SNACK

- CPI’s Snack Policy is designed to ensure the safety of those children at the school with food allergies. These allergies can be very severe and even cause death. Please, adhere to the Snack Policy for everyone’s safety.
- All parents are responsible for providing the designated snack and drink for the students, as well as napkins.
- In the cooperative classes, parents are expected to bring the designated snack on the day they are scheduled to work as a Parent Aide.
- Be careful to get the specified name brand of the designated snack. Make sure any packages are unopened. Both of these measures will help to ensure a safe snack is provided for all of our students including those with food allergies.
- An emergency supply of snacks will be available in the event a parent forgets to furnish one. Parents are expected to replenish the emergency supply as soon as possible.

SCHOOL PARTICIPATION

All CPI parents are encouraged to attend Orientation/Class Visit and Family Fun Day events. Usually there are two such events each school year.

Parents of children enrolled in Beginners, Threes, Fours, and PreK are required to:

- Participate in one (1) cleaning party during the year. The Director of Maintenance will distribute a cleaning party schedule before the beginning of the school year. If you cannot attend on the date you are scheduled, you must contact the Maintenance Director for an alternative date or assignment. Parents who fail to meet this maintenance obligation will be assessed a fine (see Fee Schedule).
- Serve on a school committee and actively participate in accomplishing all the requirements of that committee position (see Fee Schedule for fines assessed). Members are given the opportunity to indicate preferences for their committee assignment, and every effort is made to consider preferred committees, however, the assignments are made on a first-come, first-served basis.

Parents of two or more children are required to fulfill committee assignments and participate in a cleaning party for each child in the school. In addition, classroom participation is required for each child.

The responsibilities listed here represent the minimum participation necessary for membership at CPI. As a member-owned and operated non-profit organization, the school is always in need of as much support and effort from the parents as possible. Any special skills or offers of additional assistance are always welcome.

HEALTH AND SAFETY

Required Forms

CPI is required to comply with health and safety regulations of the State of Virginia, Fairfax County, and OSHA. Because of these regulations, and for the safety of our students, the following forms must be on file at CPI before the school year begins. Failure to provide all required forms before school begins will result in your child being excluded from school.

- **Comm. of VA School Entrance Health Form (for students).** Your child's physician must complete this state form after a physical examination. The examination must be current within one year from the 1st day of school; the Immunization portion must show current dates for all immunizations.
- **Emergency Information and Parent Agreement Form.** This form provides essential information for use by teachers and doctors in the event of an emergency. It must be filled out by the parents or guardians and updated as necessary throughout the school year. Two emergency contacts, other than parents, are required. Please notify the Health and Safety Director of any changes in emergency contacts during the year. This form must be filled out completely and signed by a parent or legal guardian. *Be sure to keep the emergency contact phone numbers and information up-to-date so that we can reach you if you child is ill or injured.*
- **Parent Medical Form.** All parents, family members, and caregivers who intend to work as Parent Aides in the classroom must have a form completed annually (not required for Beginner or Non-Cooperative classes or for Buy Out families). Part II of the form requires a physician or public health official signature. TB results must be current within two (2) years. The Health and Safety Director is responsible for notifying all parents six (6) weeks prior to the expiration of health documentation. Your physician or an official with the Fairfax County Department of Health can administer the appropriate TB test.

What You Should Know:

In the event of illness or medical emergency at school:

- (1) Centreville Preschool, Incorporated (CPI) will notify the Parent/Guardian if Child becomes ill at school, and the Parent/Guardian agrees to pick the Child up as soon as possible upon notification.
- (2) The Parent/Guardian authorizes CPI to obtain immediate medical care if an emergency occurs and the Parent/Guardian cannot be immediately located. (Objections to this must be submitted in writing to the Health and Safety Manager.)

In the event of exposure to a reportable communicable disease:

- (1) The Parent/Guardian must notify CPI within 24 hours or the next business day after his child or any member of the immediate household has developed any reportable communicable disease, as defined by the State Board of Health, except for life threatening diseases, which must be reported

immediately. The list of reportable diseases and conditions is available in this Parent Handbook below, or you may contact the Virginia Department of Health.

- (2) CPI will notify parents of children exposed to a reportable communicable disease within 24 hours or the next business day after Centreville Preschool has been informed of the exposure, unless forbidden by law and except for life threatening diseases, which must be reported to parents immediately.

Reportable Communicable Diseases

If any parent suspects their child has a contagious condition, we urge them to seek a competent, professional diagnosis to determine the health of the child. Parents are required to notify the Health and Safety Manager if any child develops a communicable illness listed on the chart below. Out of respect for all of our students and staff please also notify the Health and Safety Manager if there is a communicable disease in your household. The Health and Safety Manager will notify parents of all students who may have been exposed to these contagious illnesses.

Communicable Disease Reference Chart

DISEASE	INCUBATION	EXCLUSION FROM SCHOOL	COMMON SIGNS AND SYMPTOMS
Chicken pox	2 - 3 weeks	7 days after rash first appears.	Sudden onset with slight fever and itchy eruptions (blisters) within a few hours.
Conjunctivitis (Pinkeye)	24 - 72 hours	Until treated.	Sore, red eyes; yellow discharge.
COVID-19-19	1-3 days, variable	10 days after system onset or positive test	Fever, cough, shortness of break, headache, runny nose, fatigue, sore throat, muscle aches, nasal congestion, nausea, diarrhea, new loss of taste or smell
Fifth Disease	4 - 20 days	Not required.	Mild illness without fever. Rash identified by a vivid reddening of the skin, especially the face (classically described as a “slapped cheek” appearance).
Flu	1 – 4 days	3-4 days from onset of symptoms, and at least 24 hours free from vomiting, fever, diarrhea.	Fever* (or feeling feverish/chills- although not all people with the flu have a fever), cough, sore throat, runny or stuffy nose, muscle or body aches, headaches, fatigue (very tired). Some people may have vomiting and diarrhea, though this is more common in young children than in adults.

German Measles (Rubella)	14 - 23 days	7 days after the onset of symptoms.	Mild symptoms; slight fever, rash of variable character lasting about 3 days; enlarged head and neck lymph glands common. Joint pain may occur, especially in older children.
Giardiasis	14 - 23 days	Exclude until cessation of diarrhea.	Frequently a-symptomatic, but may have diarrhea.
Infectious Hepatitis	15 - 50 days	Until physician advises return.	Fever, loss of appetite, nausea, abdominal discomfort, and weakness followed by jaundice. Many mild cases occur without jaundice.
Herpangina	3 - 5 days	5 days after the onset of symptoms.	Fever, sore throat, painful swallowing, grayish-white papules in back of mouth or throat that blister and ulcerate; possibly vomiting, loss of appetite, diarrhea, abdominal pain, lethargy.
Human Immunodeficiency Virus Infection	Variable.	Follow advice of physician and/or local health department.	A broad range of disease manifestations afflicting multiple organ systems.
Impetigo	Indefinite	Until physician advises.	Multiple skin lesions of circular areas
Infectious Mononucleosis	2 - 6 weeks	Until physician advises return.	May be indistinguishable from cold or flu symptoms. Sore throat lasting 2 weeks or more, swollen lymph nodes and persistent fever, tiredness and malaise.
Meningitis Meningococci	1 - 10 days	Until physician advises return.	Sudden onset of fever and intense headache. Delirium and coma often appear early; a characteristic measles-like rash usually follows. Can be fatal despite prompt diagnosis and treatment.
Monkeypox	Within 3 weeks of exposure to the virus	Exclude until the rash has healed, all scabs have fallen off, and a fresh layer of skin has formed.	Rash
Mumps	2 - 3 weeks	9 days after swelling disappears.	Fever with swelling and tenderness of one or both parotid glands located below and in front of the ears. Unrecognized mild cases without swelling occur.
Norovirus	12-48 hours	48 hours after symptoms resolve	Sudden onset of vomiting and/or diarrhea, abdominal cramps and nausea.

Pediculosis (lice)	5 - 11 days	Until treated and there are no signs of either lice or nits.	Severe itching and scratching, often with secondary infection. Scalp and hairy portions of body may be affected. Eggs (nits) attach to hairs as small, round, gray lumps.
Pertussis (whooping cough)	From 5-21 days, usually 7-10	5 days after initiation of appropriate antibiotic therapy.	The initial stage begins with mild upper respiratory symptoms of a common cold and increasingly irritating cough. The paroxysmal stage usually follows within 1 to 2 weeks. Paroxysmal stage is characterized by repeated episodes of violent cough broken by a high-pitched inspiratory whoop and vomiting.
Red Measles	8 - 13 days	4 days after appearance of rash.	Characterized by fever followed by reddened eyes, runny nose and cough, Dusky-red blotchy rash appears on day 3 or 4 and lasts 4 to 7 days.
Ringworm	4 - 10 days	Until treated.	Circular, well-demarcated lesions, outer part lightly raised and pale. Pruritus is common.
Salmonellosis	6 - 72 hours	Until physician advises return.	Sudden onset of fever, abdominal pain, diarrhea, nausea, and frequent vomiting. Dangerous dehydration may occur in younger children.
Scabies	4-6 weeks (without previous exposure) 1-4 days after re-exposure	Exclude from school and childcare until after the first course of appropriate treatment has been completed.	Begins as itchy raised areas around finger webs, wrists, elbows, armpits, belt-line, thighs, naval, abdomen, buttocks and/or genitalia
Scarlet Fever	1 - 3 days	Until physician advises return.	Fever, sore throat, exudative tonsillitis, or pharyngitis. Rash appears most often - neck, chest and skin folds of arms, elbows, groin & inner aspect of thighs.
Shigellosis	1 - 7 days	Until physician advises return.	Diarrhea, fever and often vomiting and cramps. In severe cases, stools may contain blood.
Strep Throat (Streptococci)	3 - 5 days	Strep infections must be reported. Until physician advises return.	High fever, red and/or pussy throat, trouble swallowing, swollen tonsils and glands, abdominal pain.

COVID-19-19 Policy

CPI is committed to providing a safe environment for our children, families, and staff. The following policies and procedures will be in place during the 2023-2024 school year.

- At this time, use of face masks is optional. Parents who wish for their children to wear masks should advise CPI staff of this choice, and staff will provide support for the child's consistent mask use, to the extent possible. A child who will wear face masks should arrive in a mask and bring at least one extra mask in his/her tote bag. The CPI Board of Directors may vote to require masks if public health conditions and/or guidance from authorities change.
- Families who have an enrolled child OR household member that tests positive for COVID-19-19 must immediately notify CPI's Health and Safety Manager via email (cpisafety@outlook.com) or text.
- Children who are experiencing symptoms of illness may not attend preschool. CPI staff are trained in Daily Health Observation (DHO), and if a teacher determines that a child is displaying symptoms, the parent will need to take the child home. If your child is experiencing mild symptoms that have been cleared by a doctor, such as allergy symptoms, please advise staff upon entry. Providing a doctor's note is best practice.
- Parents who are experiencing symptoms of illness may not participate as a parent aide.
- A child and/or parent aide who experiences symptoms consistent with COVID-19-19 should take a COVID-19-19 test.
- If a student tests positive for COVID-19-19, the student must stay home for ten (10) days after the onset of symptoms (the first day of symptoms is Day 0). In the event of an asymptomatic infection, the student must stay home for ten (10) days after the positive test. A parent must inform CPI of the COVID-19-19 infection. If a parent aide tests positive, he/she must stay home for ten (10) days after the onset of symptoms or positive test. The parent must inform CPI of the COVID-19-19 infection.
- If a member of the student's household tests positive for COVID-19-19, the student must stay home for at least five (5) days after the last date of exposure, which is the last date of a household member's 10-day isolation OR the date that all household members test negative. The student should take a COVID-19-19 test on day 5 after the last date of exposure and must test negative in order to return to class. The date of last exposure is Day 0.
- All CPI staff have been fully vaccinated against COVID-19-19.
- These policies and procedures are subject to change.

Keeping Sick Children at Home

CPI does not have the facilities to properly isolate or care for sick children. The best place for a sick child is home. Sick children who are in school are more likely to remain sick longer and may pick up secondary infections. In addition, sending children to school when they are ill unnecessarily spreads that illness to other CPI children, their siblings at home, and to teachers and their families.

Our teachers have been trained in Daily Health Observation and are certified in First Aid and CPR. If a teacher determines that a child is not well enough to stay in school, a parent will be called to pick up the child. State licensing requires that we immediately send home any child with a fever, vomiting or diarrhea, or symptoms of a communicable disease.

Until the parent arrives, the child may be isolated as best we can to prevent the possible infection of other students. In the event of a serious illness or accident at CPI, the teacher will notify a parent, and if the situation dictates, will call for emergency medical care.

We encourage parents to exercise good judgment as to whether or not children should be sent to school if they are not feeling well. The following is a list of criteria to use to determine if your child should remain at home. Teachers may also elect to send children home if they observe any of the conditions listed in this chart or on the Communicable Disease Reference Chart.

Is My Child Too Sick for School?

Please DO NOT bring your child to school if he/she shows any of the following symptoms:

- **Common Cold.** Do not send your child to school if the cold symptoms are accompanied by a fever or if your child seems unable to his/her day at enjoy school.
- **Severe Coughing.** Can indicate a severe cold, bronchitis, flu, or even pneumonia. A high-pitched, “barking” cough in the middle of the night is usually a condition called “croup,” an inflammation of the larynx and airway. If you suspect croup, call your physician – it lasts 3-7 days & can usually be treated at home.
- **Fever.** Keep children home during the course of a fever and for an additional 24 hours after the fever has passed (their bodies need time to recover).
- **Conjunctivitis (Pinkeye).** Tears, redness of eye and lid lining, swelling, and discharge of pus. It is highly contagious and requires treatment, at home, with prescription eye drops. Pay attention to complaints of an eye(s) burning, itching, or producing a discharge.
- **Sore Throat or Trouble Swallowing.** Strep throat is highly contagious and may lead to scarlet fever. Symptoms of strep throat typically include a sore throat and fever. A rash following the sore throat is typical of scarlet fever. A child with a strep infection should be kept home and treated with prescribed medications. After 24 hours on antibiotic, a child is usually no longer contagious and can, with a doctor’s permission, return to school.
- **Diarrhea and Vomiting.** Keep children at home during the course of these symptoms and for at least an additional 24 hours after they appear to have passed.
- **Rashes, Lesions and Sores.** Please contact your physician regarding any unexplained rash or sore before sending your child to school. Rashes and sores may be due to a contagious condition such as impetigo, chicken pox, scarlet fever, or ringworm. Secretions from sores may be infectious.

Authorization for Medication Administration

The Centreville Preschool staff is committed to caring for many student’s health needs.

Parents/ Guardians are advised to give medication at home whenever possible. If it is necessary that medication be given during school hours please contact our health and safety manager by email (cpisafety@outlook.com). An Authorization for Medication Administration form must be completed (the form can be obtained from the Office Manager or on the school website), and the following regulations must be followed in order for medication to be given at school.

A parent may administer medication only to their OWN child. Otherwise, medications MUST be administered by a teacher with appropriate training.

Medication must be brought to school in the original container with appropriate label intact. Parent/guardian must bring medication to the Teacher/Office Manager. Medication will be kept in a locked medicine area out of reach from children.

The Teacher or Office Manager MUST have written instructions from the physician in order to administer prescription medications. These should include:

- Student's name
- Name and purpose of medicine
- Dosage and time of administration
- Possible side effect and actions to take if those occur
- End date for administering the medication
- Parent signature gives permission to administer medicine and to contact the physician if necessary
- Physician's signature

All prescription medicine must be in the original pharmacy bottle with proper label containing the student's name, medication, dosage, and instructions for administration. If you ask, the pharmacy will give you an extra bottle of liquid or tablets with the proper amount of medicine for school.

Non-prescription medicine:

- Must be in an original package with the name of the medicine and instructions.
- Must have a signed and dated note or form from the parent regarding when and how much medicine to administer.
- Will be given according to the amount listed on the package for your child's age and weight unless the doctor's orders on a medication form indicate differently.

Application of Sunscreen, Diaper Ointment, and Insect Repellent

Sunscreen, diaper ointment, and insect repellent should be applied at home as the outdoor activities schedule requires. CPI Staff will NOT apply sunscreen, diaper ointment or insect repellent.

Other Health and Safety Information

- Because outdoor play is an important part of the full development of our children's bodies and minds, all children are expected to go outside to the playground when their schedules call for this activity. Do not send children to school unless they are well enough to participate in both indoor and outdoor activities. There may be exceptions made to this rule (e.g. children who are recovering from a past illness). For the exceptions, a note from an attending physician, or a parent, will be required. Children should be dressed for the weather of the seasons. There will be no outside activity when the weather conditions are adverse.
- Fire drills are conducted monthly as required by the Fairfax County Fire Marshall. All teachers and staff are trained in fire and safety techniques prior to the start of each school year. All Parent Aides are required to attend a fire and safety demonstration as part of the orientation process.
- We strive to ensure the health, welfare, and safety of our children at CPI. Parents are urged to report any potential hazards to a member of the Board of Directors.

TRANSPORTATION

Please Note: Children may only be picked up by persons authorized by the legal guardians to do so. The Emergency Medical Information and Parent Agreement Form lists those persons you have authorized to pick up your child. Please keep this information up to date!

Please arrive on time for pick-up! A CPI teacher will stay with your child if you are late. After 10 minutes, persons listed as emergency contacts may be called to pick up your child if you have not arrived. Fines may be assessed for late pick-ups.

For procedures to pick up children in the event of dangerously severe weather, natural or man-made disasters, please see CPI'S Emergency Information section below.

CPI does not provide transportation for students and is not responsible for carpools. In order to facilitate the creation of time saving carpools, a class roster will be available before school starts.

CPI requires that all children be dropped off outside the building, even on the first day of school. This does not apply to the Parent Aide, who will arrive at CPI before the drop-off begins.

Virginia law requires the use of a child restraint for anyone under the age of eight (8) years and seat belts for anyone over eight (8) years. A child's age, not their weight or size determines if they should be in a child restraint (weight and size affect the kind of restraint appropriate for your child.) **YOUR CHILD MUST BE IN A CAR SEAT OR BOOSTER!** We will not allow your child to attend if they arrive to school without one, nor will we release them to a car without one. Please follow these procedures outlined below when dropping off and picking up students.

Important Transportation Rules

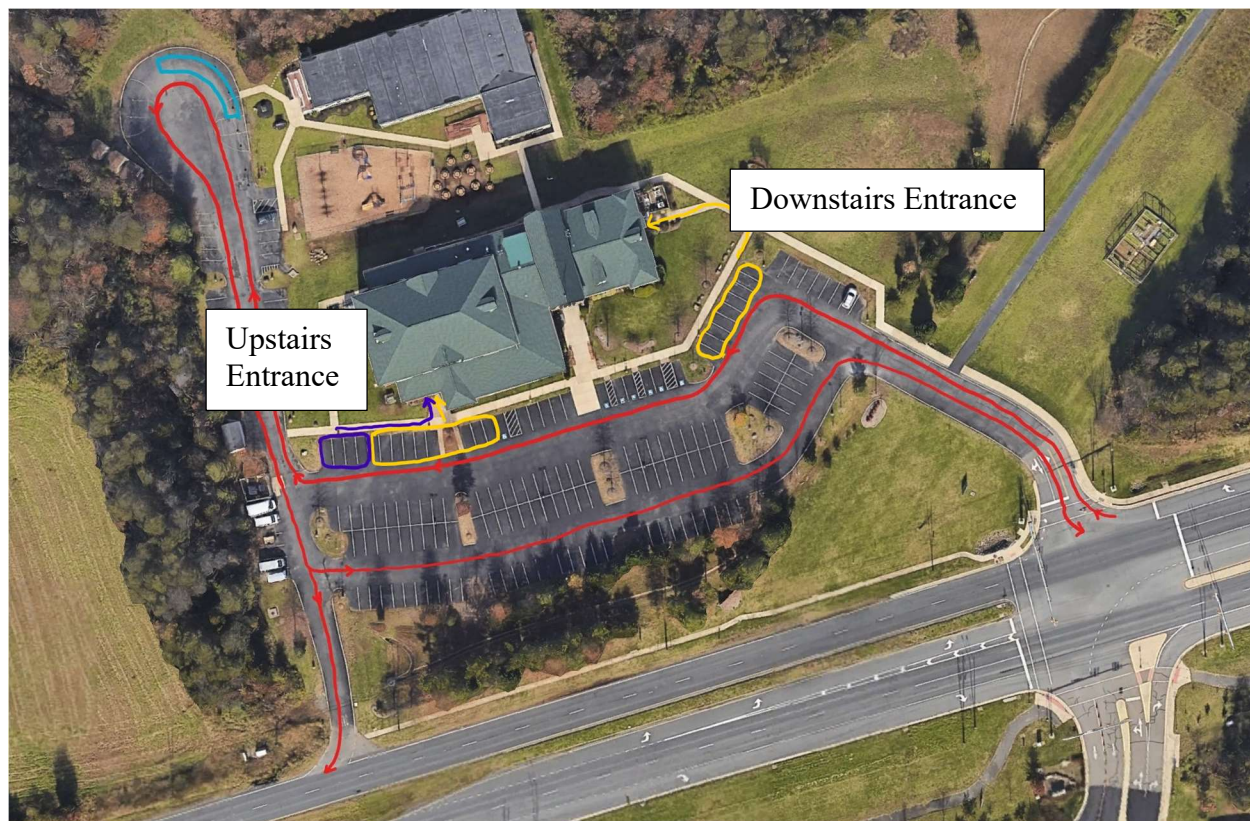

- Park only in designated parking spaces.
- Only enter through the designated entrance and only exit through the designated exit.
- Know your pickup time and queue for pick-up or drop-off in your designated area.
- Never cause a back-up that will force incoming cars to wait on Lee Highway to enter our facility.

Parking

- Park only in designated parking spaces.

Drop Off Procedures

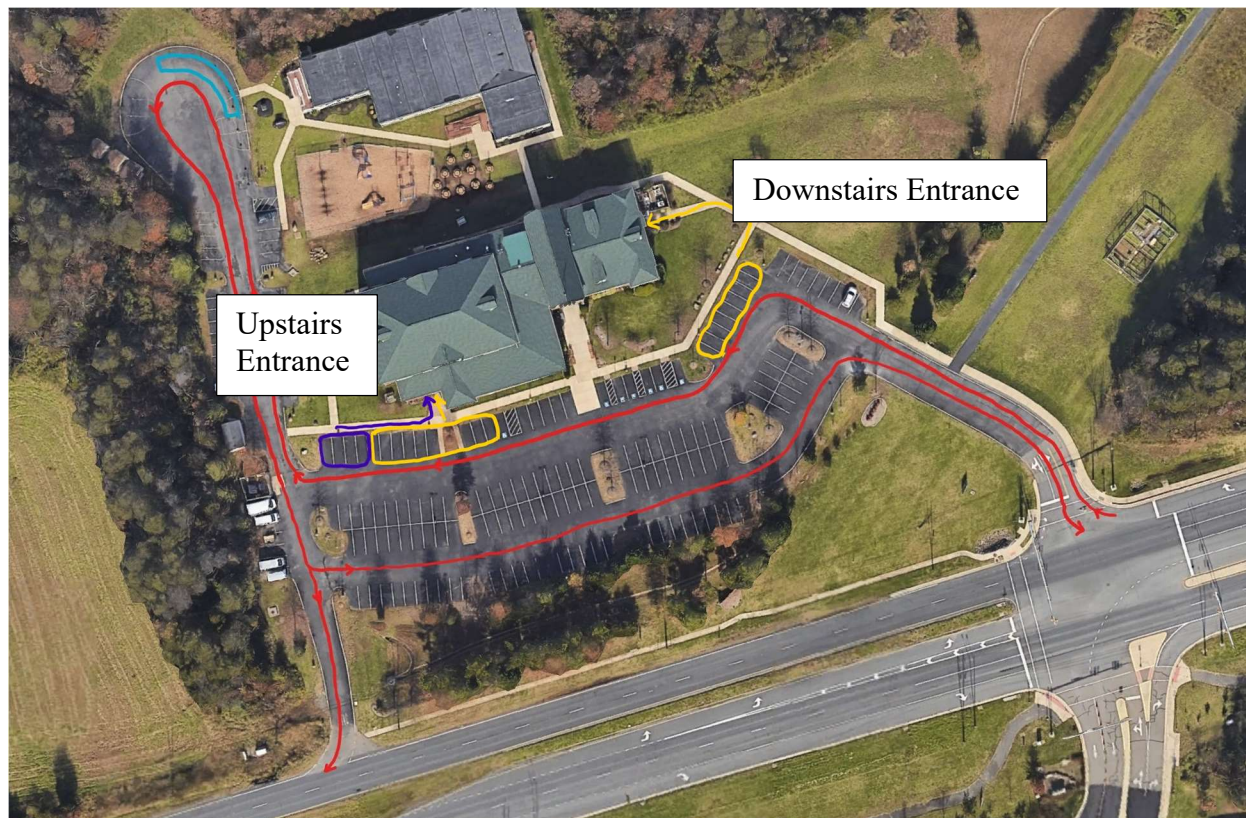

Children in the class meeting in the downstairs classroom will be dropped off at the North entrance, which is closest to their classroom (right side of the church).

The children in classes meeting in the upstairs classrooms will be dropped off at the Upper South entrance, which gives them the simplest route to their rooms (left side of the church).

For each class, two adults (a teacher and an aide) will be at the drop-off point outside the entrance to the church. Parents should park in the lot and walk their children to the designated door. Parents will sign in their students with the teacher. Drop-off and pick-up times are staggered to facilitate traffic flow. When the students have gathered, teachers will escort the children to their classrooms.

Pick Up Procedures

The children in the class meeting in the downstairs classroom will be picked up at the North entrance, which is closest to their classroom (right side of the church).

The children in classes meeting in the upstairs classrooms will be picked up at the Upper South entrance, which gives them the simplest route to their rooms (left side of the church).

For each class, two adults (a teacher and an aide) will be at the pick-up point. Parents should park and then wait for their children outside the designated church entrance. Parents will sign out their children with the teacher before returning to their cars.

Extended Day: Extended Day classes will be picked up at the North Entrance (right side of the church).

Additional Notes

It is important to notify your child's teacher when someone other than yourself or your child's regular carpool will be picking him/her up. This policy keeps your child safe!

Children become worried when they are not picked up on time. They look forward to going home, regardless of how much they enjoy school. Please refer to the Tuition and Fee Schedule for the penalty for late pickup.

Be sure that your vehicle is adequately insured and in good mechanical condition.

Inclement Weather Policy (revised September 2022)

When Fairfax County schools are closed, CPI is closed.

When Fairfax County schools open 2 hours late, CPI follows the schedule below.

Morning classes begin 2 hours late and run for 1 hour and 45 minutes:

Regular Drop-Off Time	Late Drop-Off Time	Pick-Up Time
9:10 am	11:10 am	12:55 pm
9:15 am	11:15 am	1:00 pm
10:00 am	12:00 pm	2:15 pm

Extended day classes will still continue from the end of the morning class and end at 2:00pm.

Not applicable for 2023-24 Afternoon classes will begin according to the schedule below and run for 1 hour and 45 minutes:

Regular Drop-Off Time	Late Drop-Off Time	Pick-Up Time

If Fairfax County schools announce by noon that they will close 2 hours early, CPI's afternoon classes and Extended Day classes will not meet that day.

Consistent with other preschools, no additional days will be added to make up for snow days.

SCHOOL TOTE BAGS/MAIL

Each child is required to bring a large tote bag without a flap or zipper to school each day. PLEASE, NO BACKPACKS. The child's name should be clearly printed on the bag in large letters. The tote bag will be used to carry the child's work home and to send and receive school mail. Since many school communications with parents are accomplished via the school bag, it is important that children have the bag with them every day at school.

A large safety pin or diaper pin should be attached to the bag. Parents who wish to send mail to the parent of another CPI student should pin the correspondence to the school bag, addressed in the following manner:

TO: Mary Jones (Name of parent)
via John Jones, Mrs. Smith, T/TH am (Name of child, Teacher, Days, am or pm)

Parents transporting more or heavier mail than can be pinned on the outside of the school bag should attach a note to the outside of the bag indicating to the Parent Aide that there is additional mail inside the bag. An urgent note to the teacher may be pinned on the student's clothing or handed to the Parent Aide at the door upon arrival at CPI. Please date all notes.

No solicitation of the membership via the school totes is allowed without the express permission of the Board of Directors. Class rosters are provided at the start of each school year for use in arranging carpools, switching parent aide duties and making play dates with your child's classmates. The rosters are not to be used for solicitations and/or sales calls.

Do not send tuition payments or payments of fees and fines via the school totes.

Parents should check their children's tote bag after school each day.

Please send a labelled change of clothes in a large Ziploc bag (as well as diapers/wipes, if your child is not yet potty trained). Please send your child with a full, labeled water bottle each day.

CPI AND YOU

ORIENTATION

Before school begins, each student and his/her parent(s) are invited to come to CPI for a classroom visit. The child will meet his/her classmates and teacher and be able to become acquainted with the school environment without the anxiety of the first day of classes. Orientation visits are generally held the week before school begins.

Other important orientation events for parents are the Membership Meeting at the beginning of the year and Family Fun Day in the spring. Members will gain a clear understanding of how CPI operates as a cooperative, and parents will have an opportunity to meet the entire teaching staff, discuss any concerns with the Board of Directors, and become acquainted with the rest of the membership. The Membership Meetings are a great place to arrange carpools and baby-sitting swaps! Members will be notified of the date and time of the Membership Meetings each year.

FUNDRAISINGⁱ AND SERVICES

Fundraising is vitally important to the school. It provides funds for “extra” toys and equipment for the children, covers the cost of capital improvements, and helps to meet unexpected expenses and emergencies. The Co-Directors of Fundraising present fundraising events planned for the school year in a letter at the beginning of this Handbook and at the September General Membership Meeting.

In the past, successful fundraising activities have included our silent auction, family fun fair, and gift-wrap sales. Your support and participation are greatly appreciated, and both greatly help our school.

In addition to fundraising projects, CPI also participates in programs that offer benefits and convenience to the parents, as well as a profit for the school.

These programs include:

- **Book Clubs:** Parents will be provided the opportunity to order low-cost books for children. CPI will receive credit that can be redeemed for educational books and materials for the school.
- **T-shirt and Tote Bag Sales:** CPI T-shirts, sweatshirts, and tote bags are available for purchase throughout the year. CPI makes a modest profit on these items.

THE CHALKBOARD AND WEBSITE

The Chalkboard, CPI’s monthly newsletter, will be available emailed to the address(es) on file at the beginning of every month. If you would like to receive a paper copy, please notify the Chalkboard editor. This newsletter contains a wealth of information regarding your child’s classroom activities, special notices from the Board of Directors, and important announcements and/or reminders.

Become a CPI booster! To commemorate a special day or let other CPI families know your business supports CPI, please contact the Chalkboard editor.

CPI’s website, www.centrevillepreschool.com, is another exciting source of information about CPI.

CPI EMERGENCY INFORMATION

Emergency Equipment

The following emergency equipment can/will be used if an emergency occurs:

- **Fire Pull Boxes**
- **Back-up Emergency Lights**
- **Lighted Exit Lights**
- **First Aid Boxes** are located on each floor. In addition, tote bags contain first aid supplies for use on the playground, as well as binders containing the children's medical records and emergency contacts. These binders are stored in their individual classrooms and must be taken out of the building upon evacuation.
- **Battery Operated Radios**
- **Flashlights**

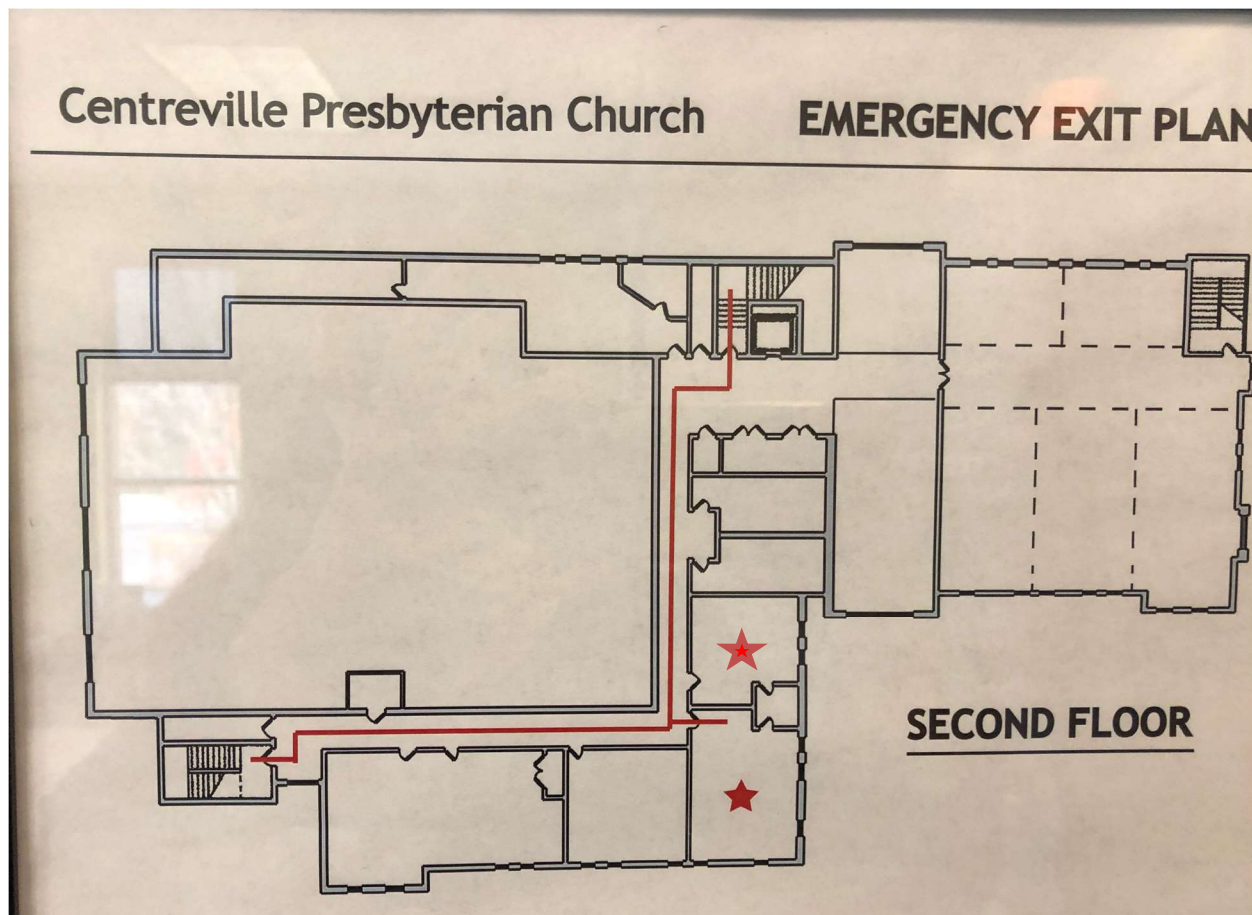

Emergency Notification

- **Alarm Systems** – for notifying all employees in case of a fire (a continuous, high-pitched alarm)
- **Verbal Communication** – all other emergencies

Emergency Procedures (please see diagram of evacuation routes)

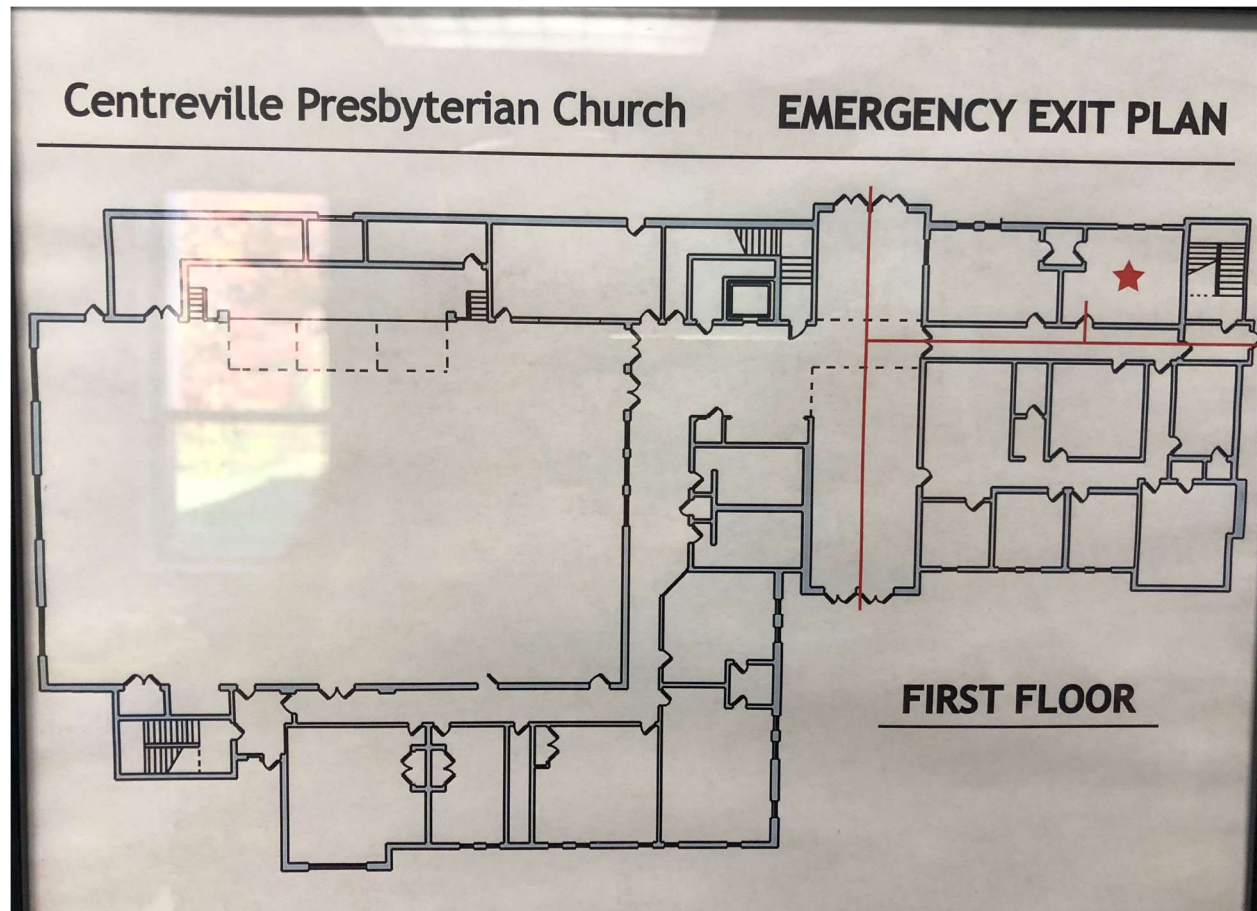

Emergency Evacuation Route for Upstairs (Room 204 & 205)

Emergency Evacuation Route for Downstairs (Room 107)

Reporting and Responding to Emergencies

Type of Emergency	Report By	Response
Bomb Threat	Call 911	Evacuate
Chemical Spill/Leak in building	Call 911	Evacuate
Explosion	Call 911	Evacuate
Fire	Call 911	Evacuate
Intruder	Call 911	Lock Down
Medical	Call 911 if necessary	Depends on Situation
Tornado	Call 911 if necessary	Shelter in Place
Earthquake	Call 911 if necessary	Shelter in Place

If an employee becomes aware of an emergency, she should

- Notify other employees in the building by the appropriate means of the danger and the appropriate response (evacuate, lockdown, or shelter in place).
- Summon the authorities per the nature of the emergency.
- Notify the Emergency Officers (Janet Chen and Melissa Hall)

Emergency Officer

In an event of an emergency, parents may contact the Emergency Officer, Janet Chen, at (617) 251-6490, or Melissa Hall, at (703) 627-5405.

In the event of a missing child:

- 911 will be called.
- Parents will be notified immediately after the 911 call.

In the event of a Fire:

- Pull lever on fire alarm box activating bell alarm and signal to fire control panel, which will automatically notify fire department.
- A Fire Hydrant is located directly in front of the church building

- Evacuate the building according to the posted evacuation diagram. Follow these procedures: When fire alarm sounds, line up children at appropriate exit. Primary and secondary means of escape are shown on diagram (also posted at the classroom doors) and detailed below. The teacher takes the Portable Medical Records file box (parent contact information included) and attendance clipboard and then leads the children and the adult aide to a designated safe place. The adult aide must follow the last child, closing the doors after exiting. Once in designated safe place, Teacher conducts head count of both children and adults. All adults must follow directions of fire officials.
- Students and Staff in room 204 & 205 will use the side stairs as their primary exit, and the secondary exit is to the right, using the central stairwell. Students will assemble on the blacktop to the west side of the church.
- Students and Staff in room 107 will use the side door to the left for a primary exit and the back central door as a secondary exit. Students will assemble in the field by the tot lot.
- Keep all doors leading to exits closed when not in use to help contain fire.
- No one shall reenter the premises until authorized to do so by the official in charge.

In the event of other building emergencies requiring evacuation:

- ALL employees and students shall evacuate immediately.
- Employees and students shall evacuate by means of the nearest available marked exit.
- Follow directions of emergency officials.
- If a relocation site is needed, we will relocate to the Virginia Run Community Center, using the trail that begins at the driveway on the eastern side of the property.

Drill Frequency

Per state law, drills occur once a month at different times during the day and are timed.

In the event of a medical emergency:

- Phone 911 for emergency rescue help. Use first aid kits as needed. All teachers have first aid training. Each bathroom contains first aid kits. NOTE: If emergency is poison-related, the number for Poison Control is posted on the classroom binder.
- Obtain child's or staff member's medical records for emergency information and contacts. Medical records are kept in the child's classroom.
- Notify child's parents or guardians immediately. If staff member, notify emergency contact listed on form.
- Fill out school's accident/sickness report form located in each classroom and school office. Make a copy once completed; place original in student's file, forward copy to the parents.

In the event of a non-life-threatening illness:

- Children who arrive ill should not be allowed to enter the school and must be sent home with parents at that time.
- Children who become ill while at school should be made comfortable away from other children.

- Parents or guardians will be notified immediately of the child's condition and the child must be picked up as soon as possible.
- Monitor child's condition until parent's arrival. If condition becomes more serious, call doctor or 911.
- Fill out school's accident/sickness report form located in each classroom and the school office. Make a copy once completed. Place original in student's file and forward a copy to the parents.

Parent notification procedures in the event of an injury:

- Parents or guardians should be notified immediately in the case of serious injury or accident. Minor injuries should be reported to parents at the end of the school session by placing a copy of the accident form in child's bag and by verbal notification at pick-up time.
- School will maintain a written record of children's serious and minor injuries. Entries of the incident will be recorded the day of the occurrence.

Procedures for reporting child abuse:

- Suspicions of child abuse or neglect should be reported to the Fairfax County Child Abuse Hotline at (703) 324-7400.

In the event of a Lockdown:

- In case of an intruder, whoever discovers the person should call 911 immediately and call out "Lockdown." Other staff should call 911 also to make sure the call goes through.
- Students and staff are to go immediately to the nearest room.
- Staff are to lock and blockade the door(s) to their room.
- Students and staff are to take positions out of sight of windows, preferably behind cover.
- Staff will take roll of students present.
- Staff and students will remain as quiet as possible.
- If the fire alarm is activated, staff and students are not to evacuate unless they have firsthand knowledge of a fire or are advised by Emergency Responders to evacuate.
- Staff will use their discretion and extreme caution when considering opening the door (an Emergency Responder giving the all clear).

In the event of a Shelter in Place:

Tornado:

- In the event of a tornado or other exterior threat staff and students are to seek shelter inside the building. The best places to seek shelter are those with no exterior windows and lowest to the ground. Thus, first floor hallways and stairwells are the preferred areas for a shelter.

- Students and staff should proceed to the hallway outside classroom 107 and sit on the floor.
- Students should face the wall, kneeling, putting their faces to the floor, and covering the backs of their heads with their hands.
- Teachers will take attendance once all the students are seated and correctly positioned.
- Teachers will have their class file totes with them.

Earthquake:

- Students and staff should drop to the floor, take cover under a sturdy desk or table, and hold on to it firmly.
- Be prepared to stay covered until the shaking stops.

2023/2024 MEMBERSHIP AGREEMENT

As a cooperative preschool, CPI offers you a unique opportunity to participate personally in providing your child's first educational experience. As a condition of enrolling your child, you commit to becoming an active member of the preschool. In order to provide your child with the quality educational experience for which CPI is known, you are required to agree as follows:

Responsibilities as Parent Aide

(Parents of Threes and Fours Cooperative and PreK Semi-Cooperative Program only)

I agree to work as a Parent Aide in my child's class on a regular basis. (Parent Aides in a 2-day class can expect to work approximately once every six (6) weeks; in a 3-day class and the 4-day PreK class, approximately once every four (4) weeks.)

I agree that, in the event I am unable to work on my scheduled day, it is MY responsibility to find a satisfactory replacement. I understand that when compiling the schedule, the Scheduling Director will make every effort to honor reasonable requests but that it is not possible to honor all requests.

I agree that if I miss two (2) consecutive, scheduled days as a Parent Aide, I will be required to pay the Buy Out Option fee for my child's class and switch to a Buy Out membership. Swapping scheduled days with another parent does not qualify as a "missed day," assuming both parents fulfill their requirements.

Responsibilities to the School

(Parents of Beginners School Cooperative, Threes and Fours Cooperative, and PreK Semi-Cooperative Program Students)

I agree to serve on one (1) school committee and to fulfill all the responsibilities assigned to that committee position.

I agree to work on one (1) building maintenance project during the academic year, as assigned by the Maintenance Director.

Tuition

(Parents of all students)

I agree to pay CPI an annual tuition as listed on the Class Offerings and Tuition Schedule for the 2023/2024 School Year. Tuition will be paid EITHER as:

The full Tuition amount and Supply Fee due on **July 1, 2023**.

-OR-

Nine (9) monthly payments paid according to CPI's Schedule of Payments.

The schedule of payments is as follows:

1. The **Supply Fee(s)** and **Tuition for May 2024** are due on **July 1, 2023**.
2. The remaining tuition is due on the first of each month from **September 1, 2023** to **April 1, 2024**.

Members may choose to pay in advance of this schedule; late payments will be penalized. **In the event of a withdrawal, thirty (30) days' notice must be given to receive a full refund of the first payment.**

Penalties and Fees (All Parents)

I agree that failure to fulfill any of the obligations detailed above (as described further in the CPI Parent Handbook) will result in the assessment of fines.

I agree to pay these fines as required by the Board of Directors. The schedule of fees and penalties is located in the CPI Parent Handbook.

Changes to Programming

CPI reserves the right to make changes to class programming. If your child is enrolled in a class that is canceled, such as due to low enrollment, we will make every effort to place your child in a comparable class that is acceptable to you. CPI will make every effort to provide at least 30 days' advance notice for any changes to programming. However, it is possible that changes could be made with short notice.

Waiver of Liability (All Parents)

I agree, in consideration of the enrollment of my child in CPI, to waive, for myself and my child, any and all claims against the Directors, Staff, Teachers, Parent Aides and the landlord of the school premises for personal injury or other loss or damages that may arise out of the operation of the preschool. Nothing in this waiver shall be construed to bar any claim for intentional misconduct or gross negligence.

4. RIGHTS OF MEMBERS: Each member shall have the right, subject to Article III, Section 1:

- a. To have their enrolled child or children afforded the same opportunities as the children of other members in the training and guidance programs and in the use of the facilities by the Corporation; and
- b. To receive a copy of the Bylaws, rules, policies and other written instructions pertaining to the activities of the Corporation; and
- c. To have access at reasonable times to any records or information pertaining to the work and employees of the Corporation; provided however, that confidential personal information pertaining to any individual child and/or family, and individual teacher(s) and/or staff members shall be held confidential by the Board of Directors; and
- d. To have prior written notice of, and to attend all membership meetings of the Corporation; and
- e. To present in writing to a board member at least ten (10) calendar days before a board meeting any issues that a member views necessary for the Board of Directors to address, with an understood requirement on the part of the Board member to submit such items to the Board of Directors; and
- f. To stand for election to the Board of Directors, provided that each board member is a representative of or related to a student properly enrolled in the school, and provided that representation on the board does not exceed the number of membership votes permitted that family.

5. TERMINATION:

- a. Members may terminate their membership in the Corporation for any reason by written notice to a Co-Director of Enrollment. Termination of such membership by a member shall become effective thirty (30) calendar days after notice of intent to terminate has been received by a Co-Director of Enrollment. A member shall be responsible for the timely payment of all tuition, fees and all other obligations normally required during the thirty (30) calendar day termination period whether or not the child is in attendance at the school.
- b. Membership in the Corporation may be terminated by the Corporation for one or more of the following reasons:
 - 1) Failure of a member's child to adjust to the preschool group environment as determined by the Board of Directors with the advice of the teaching staff; and
 - 2) Failure of a member to comply with the contractual or other obligations of membership contained herein and in the Articles of Incorporation, policies and regulations, or other resolutions passed pursuant thereto.
- c. Termination of membership by the Corporation set forth in Section (b) above shall not become effective unless written notice, by certified mail, containing the reason for termination shall have been delivered to the member at least ten (10) calendar days prior to the effective date of membership termination.
- d. A member who desires to contest involuntary termination of membership shall be so entitled, upon written request to the Secretary of the Corporation within ten (10) calendar days of

notification of termination, to a special personal hearing before the Board of Directors. At such hearing, which shall be scheduled on or before the date of termination, the Board of Directors shall allow such members an opportunity to present information concerning such members' objections to the termination and, subsequently, determine the members' status by simple majority vote. The Secretary shall notify the member of the results of the hearing.

ARTICLE IV - BOARD OF DIRECTORS

1. **MEMBERS OF THE BOARD OF DIRECTORS:** The Board of Directors shall consist of the elected officers of the Corporation as set forth in Article V, Section 1. Each elected officer has one vote on the Board. The office of President shall be entitled to only one vote, which shall be cast only in the event of a tie.
2. **RESPONSIBILITIES OF THE BOARD OF DIRECTORS:** The Board of Directors shall have the following responsibilities:
